HEADQUARTERS SIXTH CORPS AREA
OFFICE OF THE SIGNAL OFFICER

IN REPLY REFER TO:

CHICAGO, ILLINOIS.

April 28, 1928.

Lieut. F. J. Jutrash,
385 - 11th Ave., Apt. 5,
Milwaukee, Wisconsin.

Dear Sir:

I have held your letter of March 31st until I could give you definite information. Unfortunately, I cannot be present, as I will have to be in Madison inspecting R.O.T.C. Units on May 25th, but either Col. N. F. McClure, who served for some time in the Signal Corps, or Major W. I. Rasor of the Signal Corps, will be present.

The subject of the talk will be "Radio Development", or something similar.

Yours very truly,

D. B. SANGER,
Major, Signal Corps,
Signal Officer.
